- **Music** - Pitch and Tempo: Superheroes

Water bottles

Please ensure to send your child to school with a water bottle every day. Water bottles will be sent home at the end of the day.

School Day

The main school doors open at 8:40am daily for an 8:45am start. The end of the school day is 3:00pm. Children are dismissed via the KS1 playground doors.

PE

Our PE lesson has changed to a **Wednesday**. Please send your child in with their PE kit to change into at school. A PE kit should consist of house colour T-shirt, black shorts or joggers and pumps or trainers. **Please ensure all earrings and jewellery is removed and long hair tied up.**

Forest School

Pupils will continue to have a forest school session on a **Friday** afternoon, led by Mrs Cotter. Please ensure your child has suitable clothing for this.

Homework

Reading

Home reading books must be in school EVERY day. These will be changed when children have completed a new book in school. Please remember to log any reading you are doing at home in the home diary.

Maths

CPG maths books to be handed in on Wednesdays to be marked and will be handed back out on a Friday. Children also have access to an online maths game called Numbots. This is a great, fun way to build on a range of mathematical skills, speed and fluency. Login details will be handed out promptly.
