Dear Parents and Carers

Hanbury's Farm and Oakhill Primary School Federation Parent Survey 2024

At Hanbury's Farm and Oakhill Primary school, we are committed to providing the best education for all of our pupils and collecting feedback from both pupils and parents is an essential part of this.

Below is a link for an online survey for you to complete to help us collate your opinions and perspectives on a range of aspects of life in our schools. To collate as much information as possible can we please ask that you complete the survey for each child that attend the school. This should only take around 5 minutes to complete.

Information will then be used by our senior leadership team and governors to identify strengths and areas to further develop. Once this information has been reviewed, we will share a summary of results with you and an overview of actions from this information.

This questionnaire will be open until 12th April.
