Dear Parents and Guardians

Staffing Update and Class Structure for September 2024

As we approach the end of term, staffing arrangements have been finalised and this includes the return of a number of teaching staff at Hanbury's Farm who have been on maternity leave this academic year. We are really looking forward to welcoming back Miss Dunning, Mrs Griffiths and Miss Baird at the end of this term and would like to thank the staff who have covered during this time.

Consequently, Miss King, who has been a great asset to the team, will be finishing at the end of this term and moving on to another local school in the area. Mrs Hawksworth will also be leaving for a new role and Mr Hill will be returning to working at Oakhill.

In addition, there will also be a change to our current management structure at Hanbury's Farm, with Mrs Stinton who has been deputy head at the school for the last 11 years changing her role to Early Years consultant. We are so grateful for everything Mrs Stinton has done at Hanbury's Farm and Oakhill over the last 19 years, especially with regard to Early Years Provision recently set up at both schools. We are however very lucky to keep her working across the Federation, where she will continue to work with our Early Years Lead Teachers Mrs Mauger and Miss Reeves. I am sure that you will join me in thanking her for her constant dedication and hard work to all the children and families that she has worked over the last 19 years. From September, the new teaching staff structure is shown in the table below.

All children will take part in a transition lesson in their new classroom next Wednesday afternoon to meet their new teacher and teaching assistant.

Additionally, next year we are lucky to be involved with a number of new programs and initiatives designed to enhance student learning and engagement, these are the:

- **Partnership for Inclusion of Neurodiversity in Schools (PINS)** This is a DFE funded programme.
- **Voice 21 programme** – this is a whole school programme that focuses on the value and impact of oracy across the curriculum

Thank you for your continued support and if you have any questions, please contact the school office.

Yours sincerely

Mrs N Gripton
