It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2021/21	£15, 112
Total amount allocated for 2021/22 – October 2021	£10,200
How much (if any) do you intend to carry over from this total fund into 2021/22?	£1,794 - Feb 2022
Total amount allocated for 2021/22	£25, 312
Total Amount allocated Grant received May 2022	£ 7, 290
Total amount of funding for 2021/22.	£17, 490
To be spent and reported on by 31st July 2022.	= £32, 602

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above</p>	<p>64% = Current Y6 43% = Current Y5</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above</p>	<p>64% = Current Y6 43% = Current Y5</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>64% = Current Y6</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>Yes/No</p>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22		Total fund allocated:		Date Updated: July 2022		
<p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p>					Percentage of total allocation: %	
Intent	Implementation		Impact			
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:		
<p>- Every class in both schools have a weekly session of 1 hour - 1 ½ hours minimum, as well as carrying out the Daily Mile for 15 minutes every day in every year group.</p> <p>- Skills and knowledge are taught sequentially and consistently from Reception to Year 6 to ensure progression is made and skills are developed every year by consistently using the REAL PE Jasmine scheme from EYFS-Y6.</p>	<p>- A timetable is in place in both schools to ensure every class has a weekly session of at least 1 hour/ an afternoon.</p> <p>- A Long-Term plan and a Medium-Term plan has been put together for teachers to follow which outlines the objectives, sports and skills that need to be developed in every year group and the short term plans are found on the REAL PE Jasmine website for ALL staff using their logins.</p> <p>- Weekly Swimming lessons @ TEC AUT2-SUMM2)</p> <p>- Focus on developing strength and gross motor skills across the EYFS and forest school through the provision and resources provided</p>		<p>Cost of the REAL PE Jasmine scheme/member ship: £495.00</p> <p>-£5400.31</p>	<p>Children can now use their knowledge and skills and apply this to an afterschool club, clubs outside school, tournaments/ competition's and to everyday life as the 6 main areas of development under the REAL PE Jasmine scheme; Cognitive, Social, Personal, Physical, Fitness, Creative.</p> <p>Children can now use their knowledge and skills in team like games during break and lunchtimes.</p>		<p>Create competitions' and tournaments across both year groups/ schools to develop competency.</p> <p>RAG children against the skills/ objectives in PE termly on the assessment sheets made by the PE Coordinator to assess each child against each skill in each unit.</p>

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation: %
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<p>- We aim to raise the importance of Physical Education, School Sport and Physical Activity across our Federation and use this as a tool for whole school improvement by upskilling teaching staff and ensuring weekly sessions take place at a high quality to develop childrens enjoyment, skills and capabilities using the REAL PE Jasmine scheme to develop the 6 areas: Cognitive, Social, Personal, Physical, Fitness, Creative.</p> <p>- As well as this, staff and pupils should also be provided with the knowledge to live healthy lifestyles and to participate in physical activity on a daily/weekly basis and carry out the Daily Mile everyday to improve fitness levels and mobility.</p>	<p>-PE Equipment & Inspections</p> <p>-KS1 – Playground equipment</p> <p>Repairs - KS1 AND KS1 Playgrounds</p> <p>Across the Federation, our aim is to upskill teaching staff, ensure weekly sessions take place at a high quality to develop children's enjoyment, skills and capabilities and to develop children's confidence so that they can participate in sporting tournaments and competitions to the best of their abilities.</p> <p>-forest school surveys and repairs</p> <p>- As well as this, pupils should also be provided with the knowledge to</p>	<p>-1,249+161 =£1,410</p> <p>-165+199+250+ 415+415+830 =£2274</p> <p>-300+250 £550</p>	<p>Children are becoming more mindful about Physical Activity and are beginning to incorporate the knowledge and skills they have developed in their everyday lives e.g. how they travel to school, how they can make healthy choices and joining a club outside of school.</p> <p>Using the new scheme, we now develop the whole child by building on the 6 main areas: Cognitive, Social, Personal, Physical, Fitness, Creative, and all of the skills within these.</p> <p>Children are beginning to develop a love of fitness, being mobile, competing in sport and team games and building on the skills they have been taught.</p>	<p>Create games, PE days, competitions' and tournaments across both year groups/ schools if this is allowed next academic year to develop a competitive culture that values physical activity.</p> <p>The 6 main areas must be developed : Cognitive, Social, Personal, Physical, Fitness, Creative, and all of the skills within these using the Real PE scheme confidently.</p> <p>RAG children against the skills/ objectives in PE termly using the PE unit overviews and ragging children against the skills.</p>

	live healthy lifestyles.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils Percentage of total allocation:

Intent	Implementation	Funding	Impact	Sustainability and suggested next steps:
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	
<p>Additional achievements:</p> <p>Ensure all children have the opportunity to get involved in a sport that they enjoy and can excel in.</p> <p>Ensure a wide range of sports and activities are offered to children to give them choice and variety.</p> <p>Pupils knowledge, skills and understanding need to be improved so that they are showing an increased level of enjoyment and commitment to physical activity and sport at school.</p>	<p>Whitmore Lakes - Y6 AUTUMN Camp</p> <p>PE COACHING/after school clubs Mini athletics for EY and KS1 Progressive sports- KS2</p> <p>Termly mini athletics sessions for nursery</p> <p>After school clubs to change termly so different sports can be focused on.</p> <p>Christmas Sports enrichment - Glow Ball - Enrichment Days provided by Premier</p>	<p>£1,395.91</p> <p>270+384.75+ 213.75+180+ 450+1710+ 42.75</p> <p>-£3252.25</p> <p>£245</p>	<p>Monitor the impact of all of this through lesson observations and teacher/ pupil interviews and questionnaires.</p>	<p>- Complete staff interview/ questionnaire to assess teachers areas of development and next steps to improve teaching and learning.</p> <p>- Looking into Staff Training for all staff members.</p>

	<p>Sports/Progressive Sports in order to inspire children's involvement and enjoyment by encouraging participation from all.</p> <p>Y5 Camp – SUMMER TERM</p>	<p>-1,100</p>		
--	---	---------------	--	--

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Pupils knowledge, skills and understanding need to be improved so that they are showing an increased level of enjoyment and commitment to sport, maybe a particular sport inside and outside of school.	- Pupil Questionnaire - asked children what sports they enjoyed, what sporting afterschool club they would like to do and their suggestions that could improve the quality of current PE lessons.		Children are beginning to create games to play during break/ lunch times. Children are extremely enthusiastic to participate in PE days, competitions' and tournaments across both year groups/ schools which has started to develop a competitive culture that values physical activity in school. When participation is increased, schools can start entering sporting events and tournaments.	Pupil Question on sports they are involved in at school, outside school and ask what they would be involved in if they had the opportunity to. Class Questionnaire - what sports could we get involved in as a class? Could we compete with another year group? Look into school tournaments in 2021-2022 if these are allowed to take place safely.

Date:	

To do:

MS FORMS – after school clubs attendance/ what clubs would they want?

Athletics, netball, cricket - upcoming events/ clubs

Netball Club – Monday SPR2

ATHLETICS – SUMMER

IDEAS - Healthy eating day/week –

1. Fruit/veg tasting (make a fruit salad/or a healthy snack)
2. Dress up as your favourite athlete/sporting star
3. Healthy lifestyle – balanced diet (plates)
4. Learn a style of dance e.g. hip hop, bhangra, street, jazz, tap, Irish, ballet.
5. Complete a 2km walk/run/sprint
