3 February 2023

Dear Parents

## **CLASH OR MATCH this Safer Internet Day**

**Safer Internet Day is a great opportunity for us all to focus on online safety with our children.**

This day is celebrated on 7th February 2023, with thousands of people across the UK working together to champion youth voice and engage in conversations about how we can all work together to make the internet a great and safe place. This year's theme is '**Want to talk about it? Making space for conversations about life online.**' To emphasise and raise the importance of being safe online, we are asking the children to come in as many bright colours as they can on the day – those which clash with each other or those that match.

Online safety is important topic within school and all classes throughout the year are taught different areas of how to keep safe through a resource called Project Evolve. During this day, there will be an assembly, class activities and opportunities to talk about online activity.

If you need any further advice there are many websites which you can visit such as the NSPCC, national online safety or the safer internet day page. Below are a number of links to further support your conversations at home.

### **[Advice and tips about how to start a conversation about the things your child is doing and seeing online.](#)**

Thank you for your continued support and we look forward to seeing how bright the school will be on this day.

Yours sincerely

Mrs N Gripton  
Executive Headteacher
