Year 1 After School Club

7 October 2020

We have been really impressed at how all of our children have returned to school following lockdown. However, we are acutely aware of the 6 months of school the children missed during this time. For our current Year 1 pupils this means they have missed the completion of the Early Years stage, and all of the essential skills are refined for Year 1 have been missed. Initially, for our year 1 pupils, we have altered our timetable and ensured the children have had access to enhanced provision every day in order to smooth the transition to Year 1.

As the term progresses we would like to support the Year 1 pupils in catching up on some of the core skills that have been missed and are therefore planning to run a weekly after school club for a set number of weeks for groups of Year 1 pupils. This will be run by a member of the teaching staff with a small group of pupils. Children will be allocated a space in a group. There is no cost for this club.

The session would run straight from school until 4pm. Children will receive a drink and snack following school.

At this time we are trying to gauge what the level of interest would be from parents. We feel that this will greatly benefit the Year 1 pupils following what has been a very difficult year for them and we hope that you will support this. Please indicate your preference and any comments you wish to make. For those parents for whom we hold email addresses an electronic link has been sent today. Please feel free to respond either way.

Best wishes

N Gripton
